

SABINA SARIYSKA

lrxpconsulting.com

Instructional Designer / Learning Experience Designer

sari.sabina@gmail.com

A dedicated professional and enthusiastic learner with a fusion of aptitudes, demonstrating how skillsets gained from each experience are transferred forward. Connector of knowledge to purpose.

EXPERIENCE and SKILLS

Instructional Designer

| Education Design Lab, Remote (05/2022- Present)

- Writing complex branching narratives, incorporating story and game design structure.
- Creating effective visual assets to accompany instructional materials.
- Designing assessments within Muzzy Lane using competency-based learning strategies.

Instructional Design Intern

| World Trade Center, Denver (01/2022- 06/2022)

- Built e-learning modules for adult learners.
- Conceptualized and produced video for instructional materials.
- Managed web sites and worked with learning management and existing web-based registration systems.

Learning Designer

| LDT Student Agency, Denver (05/2021- Present)

- Developed a 16-week, asynchronous DEI course for adults, centering Humanized design.
- Supported and guided faculty on shaping and developing content and its delivery.
- Researched, developed, designed, and facilitated webinars for our Learning Experience Design student channel.

Research Coordinator

| Children's Hospital Colorado, Denver (2019 - 2021)

- Initiated, conceived, and designed the Onboarding process for new employees at the Research Institute.
- Facilitated and managed multiple, complex clinical research projects.
- Ensured compliance and maintained regulatory documents for each study.

Intensive Care Unit Respiratory Therapist

| NHRMC, Wilmington | CHCO, Denver ('11 – '16) | ('17 – '19)

- Integrated current evidence with clinical knowledge and patient/family preferences and values through daily practices.
- Established action plans for self and others to complete work efficiently and on time by setting priorities, establishing timelines, and leveraging resources.
- Met the personal needs of individuals to build trust, encourage two-way communication, and strengthen relationships.

Associate Producer

| Nancy Glass Productions, Philadelphia (2006 - 2008)

- Fostered fluid and effective communication between the production team, talent and working crew.
- Resolved unforeseen events through innovation, communication, and vulnerability.
- Managed the schedule of events for the production crew, working crew and talent.

English Language Assistant

| Lycée Jules Renard, France (2004 - 2005)

- Created clear learning objectives for each class group based on their level of knowledge and interests.
- Adapted the material by actively listening to the students and their teacher's needs.
- Created content with information that can be used and applied in the real world.
